

## Résumé

I am currently looking to find a job in a design community, at a firm, where I can put my skills to use and deliver wonderful pieces of work. My goal is to become an experienced designer in the working place and learn more as I go.

### Education

Santa Rosa Junior College 2008-2011

Associates Degree in Graphic Design

Art Institute of California San Francisco -current

Achieving Bachelors of Science in Graphic Design

### Employment History

Scandia Family Fun Center 2006-current

Shift Supervisor

Running the center, on shifts, customer service

### Proficiencies

I am proficient in many of the Adobe Programs, specifically;

Adobe Photoshop

Adobe Illustrator

Adobe InDesign

Adobe Soundbooth

Adobe Flash

Adobe After Effects

Among being proficient in programs themselves, I am a trained designer in page layout, successful use of typography in design, and overall compositional design and creation.

I have also trained in preparation for prepress work and deliveries.
